

The German Development Cooperation (GDC) and the Korea International Cooperation Agency (KOICA) in partnership with Particip GmbH and the Technical University of Mombasa is offering scholarships to the youth through the project "*Promoting, Employability of Youth Especially Young Women in Technical Courses*". The selected young persons will be sponsored with full tuition fees to undertake training in the following courses:

- (a) Instrumentation and Control;
- (b) Manual Arc Welding; and
- (c) Mechanical Technology and Maintenance (Lathe Machine Work).

Technical University of Mombasa (TUM) is ready to enroll the first cohort of the young persons in the above vocational courses in January, 2022.

NOW WE ARE FUNDING YOUNG PEOPLE

Eligibility criteria:

- D+ in KCSE
- Certificate in any engineering course

A mobilisation drive will take place at the Technical University of Mombasa on **13th December 2021 at 8:30 am**. If you are interested, you are invited to attend

Particip GmbH will implement the partnership through the Employment and Skills for Development in Africa (E4D) Programme. E4D is commissioned by the German Federal Ministry for Economic Cooperation and Development (BMZ) and co-funded in Kenya by the European Union (EU), the Norwegian Agency for Development Cooperation (NORAD) and the Korean International Cooperation Agency (KOICA).

It is implemented by: The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH.

*****Those with certificate in engineering course may be considered*****

Preference will be given to ladies and the very needy
