Dear Prof. Peter B. Gichangi

REF: **RESEARCH GRANT FROM THE GERMAN ACADEMIC EXCHANGE
PROGRAMME REGIONAL OFFICE FOR AFRICA**

The African Institute for Capacity Development (AICAD) has received an invitation letter from the Programme Officer of the German Academic Exchange Programme (DAAD) Regional Office for Africa, based in Nairobi, to submit research proposals for support of PhD study Programmes for the academic year 2020/21.

AICAD is sharing this information with all of its valuable member Universities, including the Technical University of Mombasa, and is hereby, encouraging the academic staff of the university to apply and benefit from this opportunity, to enable our nation develop the required manpower for development.

Additional information for this call is available at the website www.daad.or.ke OR Search under topic 'DAAD Research Grants for Young Kenyan Academics 2020/2021'

Yours sincerely,

Prof. Dominic. Byarugaba,
Executive Director,
AICAD.

Cc. The Country Director,
Attn: Prof. Alice Kamau,
AICAD Kenya Country Office,
Egerton University, Kenya.

R & D Director - AICAD
